

A Letter from Our Chapter President

It is an honor and pleasure that I serve as your 2010 Local Chapter President (LCP).

This year's monthly Business Resource meetings will benefit your business and your personal growth. The Program Committee hopes to educate and inspire you to have a better business year. We are looking forward to Joint Chapter Socials and Meetings to network with our neighboring chapters to further our members' business.

We appreciate our generous sponsors that offer such great support to our chapter- please remember to utilize them in your daily business. When you see them, thank them. Our sponsors are an essential part of our membership!

We have unveiled our new local web site thanks to Colin Russell, THE Webmaster! Please feel free to use as a resource when needing information about our local chapter events, our Board events, WCR State and Nat'l News and events. It's all there and a little bit of fun too! If you haven't emailed your photo to be included on our Chapter Roster, please do so. Make sure you keep your profile up to date on our Nat'l web site. Referrals are a big part of Women's Council of Realtors. There is a link to our Nat'l web site straight from our local website.

If you have any suggestions, want to help with committees or I can be of help in any way, please feel free to contact me.
